

[Quick Reference Guide: Net Set Go Troubleshooting](#)

1. Login to MyNetball as an administrator > <http://my.netball.com.au>
2. Ensure participants details are up-to-date, if receiving an enquiry.
 - **People > Person Search > First name + Last Name**

- Once you have found your participant > **edit**
 - Be sure to double check the email entered

3. Refer participant back to the Guide: NSG Individual Participant Registration, to complete Account Advanced Recovery.
4. If the participant is continuing to have trouble registering, check their MyNetball Account Status.
 - **People > Participant Login Manager > Search using name / Participant ID**
 - Note: use **Any Role** and **Any** Account Status when searching

Participant Login Management ?

5. If the participant appears as **NO ACCOUNT**, this means the participant has a record on MyNetball, but has not created a login.
 - i. Ensure the correct email is on record by clicking the pencil icon. **Update** at the bottom of the page.
 - ii. Select the participant
 - iii. Select Action if **'Send Login Invite'**

Note: This login invite will only last 48 hours, parents can action this invite themselves without the time limit via the *Parent NetSetGO Registration Guide*.

[Other MyNetball NetSetGO FAQ:](#)

Q. How do I withdraw a participant from my NetSetGO program?

A. Due to the pack ordering system, NetSetGO participants cannot be deregistered the same way as Junior members. Please retain the cost of the NetSetGO pack (\$25.30), as if a pack has been ordered you will still be charged for this cost. If the pack has not been ordered, you are able to refund the remaining monies.

- **Programs > Submit NetSetGO Withdrawal > Complete Google Doc**
- Once you have completed the Google Doc, Netball Australia will confirm with you via email if the pack has been ordered or not.
- Netball Australia will action the withdrawal.

Q. How do I add a saleable product to my NetSetGO Registration Form?

A. The process for adding a saleable item for NetSetGO is the same as you would for Junior and Senior sign-up forms.

- **Registration > Product Management > Add Member Subscription Product**
- Complete the form as required entering the details of your saleable item
- **Ensure the category entered is Event/Program Registration** > rather than Membership for Junior/Senior.

Q. My previous Term Program/ Season is completed, and I don't want this visible for my new Term / Season Registration period, how can I do this?

A. We recommend once a program has finished you make the program *inactive* so that the program is no longer visible to the participant when registering for their secondary program.

- **Programs > NetSetGO Centre Registration >** Scroll down to your Programs
- Edit your program > un-tick the **Active Box**
- **Ensure your current program is Active.**
