PNA Competition

1.0 Grading Committees

- 1.1. Separate Grading Committees for Open, Year 9-12, Year 7/8 and all Primary School-aged competitions will be elected at the Annual General Meeting.
- 1.2. Nominations for positions on Grading Committees will be called in the same manner as those for the Executive Committee members under the PNA Constitution.
- 1.3. Each separate Grading Committee will be composed of the relevant Competition Coordinator for that age group, who shall be the convener, and four (4) other elected members from different clubs.
- 1.4. Resignations from Grading Committees shall be submitted in writing to the Executive.
- 1.5. Should any elected member resign before the expiry of the term of office, the Executive may:

 - 1.5.2 Appoint a substitute for any subsequent vacancy.
- 1.6. Grading Committees will be responsible for making decisions on the grading and re-grading of teams and any other duties as directed by the Executive.
- 1.7. Decisions of the Grading Committees are final and are not subject to review or appeal by clubs.

2.0 Procedures:

- 2.1 Teams are graded on their potential playing ability. New teams can be invited for a grading 'trial' against existing teams.
- 2.2 Open Grading: Where possible there will be 8 teams per division. Re-grading is expected to be minimal in this competition however, if deemed necessary by the Grading Committee, changes will be made to ensure teams are placed in the division most appropriate to their skill level. If regrading occurs clubs will be notified of the changes.
- 2.3 If less than 8 nominations are received and the Grading Committee determines there are not 8 suitable teams for Open Division 1, the division will be reduced to 6 teams for this season only. The two teams playing in that year's Open Division 2 grand-final will then be elevated to Division 1 the following season to make a division of 8.
- 2.4 When Open Division 1 consists of 8 teams, each season thereafter the team finishing 8th will be relegated to Division 2 for the following season and the winner of the Division 2 grand-final will be elevated to Division 1. These changes will occur regardless of whether or not a team has the same players as the previous season.
- 2.5 Jnr Years 9 - 12 and 7/8 Grading: Where possible there will be 8 teams per grade. Grading changes may be made by the respective Grading Committees after the third completed match.
- 2.6 After re-grading for Open, Jnr 9 - 12 and Jnr 7/8, any teams that move grade will receive 3 points (win = 2 points, loss = 0 point and draw = 1 point) and the goals for and against will be the average of the division into which they moved. All other teams will retain points scored.
- 2.7 Jnr Year 5 and 6 teams will be re-graded after the third round; all points will revert to zero after regrading.
- 2.8 After the fifth round, NetSetGo teams will be reviewed and some changes may be made.
- 2.9 Teams can submit regrading requests to the PNA Office by 6pm on the third completed match of fixtures with the exception of Year 5 and Year 6 teams who can submit on the day of the third round and NetSetGo teams who can submit on the day of the fifth round.
- 2.10 PNA will endeavour to have no more than two teams from the same club in a grade, however this will be at the discretion of the Grading Committee.

3.0 Rules:

- 3.1 Teams are to be graded according to strength and should be numbered as such. Eg: Strongest team should be graded 1, second strongest team graded 2 etc. Fever 1, Fever 2 etc. Teams are permitted to have team names however must include the team number eg: Fever 1 Red, Fever 2 Blue.
- 3.2 Clubs with Year 5 or Year 6 teams are to grade their players first and put them into teams according to strength.
- 3.3 All information required in the nomination process must be completed to enable adequate grading.
- 3.4 Incorrectly named teams, or teams that are lacking information may at the discretion of the Competition Committee, have their nomination rejected.

Forms	Injury report to be completed by First Aid Officer and held in the PNA office at the conclusion of the day. Doctor's clearance. 5.9 PNA Injury Report Form
Review	Last Modified 23.02.22

Rule:

- 1.0 Where First Aid Officers have determined that a player has been concussed or is suspected of having concussion, that player must take no further part in the game.
- 2.0 A Doctor's certificate clearing the player to play again must be received by PNA prior to the player taking the court.
- 3.0 Any player who has suffered a concussion must not return to play within 16 days from the date of their reported concussion.
- 4.0 PNA can take no responsibility for players who have been determined to be concussed other than those recorded via the PNA Injury Report Forms.

Procedure:

1.0 Any suspected concussion should be assessed

2.0 Management of Concussion

The most important steps in the initial management of concussion are:

- 1) Recognising the injury.
- 2) Removing the player from the game.
- 3) Referring the player for medical assessment.

2.1 Recognising the injury:

2.1.1 Any one or more of the following can indicate a possible concussion:

- *Loss of consciousness*
- *Dazed, blank or vacant look.*
- *Headache, blurred vision, dizziness.*
- *Confused/not aware of plays or events.*
- *Balance problems (unsteadiness)*
- *Lying motionless on ground/slow to get up.*
- *Grabbing or clutching head.*

2.1.2 The Pocket Concussion Recognition Tool can be used to help recognise concussion. It is important to note however that brief sideline evaluation tools are designed to recognise a concussion but they cannot replace a comprehensive medical assessment.

2.2 Removing the player from the game:

- 2.2.1 Initial management must adhere to the first aid rules, including airway, breathing, circulation, and spinal immobilisation.
- 2.2.2 Any player with a suspected concussion must be removed from the game as soon as possible, ensuring that this does not cause further injury to the player (see 2.2.6 below).
- 2.2.3 Removing the player from the game allows the opportunity to properly evaluate the player.
- 2.2.4 Any player who has suffered a suspected concussion must not be allowed to return to play in the same game. It is important not to be influenced by the player, coaching staff, trainers, parents or any others suggesting that they return to play. **If there is doubt, sit them out.**
- 2.2.5 With unconscious players, the player must only be moved (onto a stretcher) by qualified health professionals, trained in spinal immobilisation techniques. If no qualified health professional is on site, then do not move the player – call and await arrival of the ambulance.
- 2.2.6 If required, teams may agree to move the game to another available court to allow first aid to be administered and the game to continue.

2.3 Refer the player

- 2.3.1 All players with a concussion or a suspected concussion need a medical assessment by a registered medical doctor.
- 2.3.2 If a doctor is not present then the player should be sent to a local general practice or local hospital emergency department.
- 2.3.3 The Injury Report must be completed.

2.4 Children

Children and adolescents aged under 18 may be more susceptible to concussion and take longer to recover, requiring a more conservative approach to concussion management.

The symptom free rest period for children should be extended to at least 48 hours and the return to sport protocol extended such that the child does not return to full contact training or sport less than 14 days from the resolution of symptoms.

Penalty:

NOTE: A club that breaches this rule is deemed to be playing an ineligible player.

Number	Infringement	Fine	Penalty
2.1	Playing an ineligible player	\$50.00	Loss of goals scored for the offending team. The non-offending team wins the match.

3. PNA will provide the scorer and timekeeper for all division 1 grand finals.
4. Junior 9-12 Division 1 and Junior 7-8 Division 1 are to complete Grand Final scorecards with players positions in each quarter for MVP purposes.
5. All clubs must be financial to play finals and have no outstanding monies owing to PNA or NWA.
6. All players must have played at least five (5) matches with their own club, on separate dates, before they may participate in Finals matches. SGV's are counted towards qualifying matches once the player becomes registered for that club.
7. A team with a player playing down from a higher division or playing under another name will be deemed an ineligible player and will result in a fine. The team concerned and the player will take no further part in the finals series. (see Penalties below).
8. All players in Finals matches must play in that team's uniform unless previous approval has been granted. Failure to do so will be deemed as playing an ineligible player.

12. Umpire allocations and payment for Finals are coordinated by PNA. Umpires will be paid by direct deposit into their nominated bank account by the PNA Office on the Monday following the finals match. Umpires must print their name and sign the scorecard as confirmation. Clubs will continue to bear the cost of umpires in finals matches and will be invoiced by PNA for these fees after the grand finals.

The roles and responsibilities of umpires on match day are outlined in the International Netball Federation Rules of Netball. These shall apply to all PNA matches unless modified in this Competition Handbook.

1.0 Umpiring Committee

- 1.1 An Umpiring Committee composed of the Association Umpiring Development Officer and two (2) elected members from different clubs will be elected at the Annual General Meeting.
- 1.2 Nominations for positions on the Umpiring Committee will be called in the same manner as those for the Executive Committee members under the PNA Constitution.
- 1.3 Resignations from the Umpiring Committee shall be submitted in writing to the Executive.
- 1.4 Should any member resign before the expiry of their term of office, the Executive may:
 - 1.4.1 Appoint a substitute who shall hold office until the term of office expires;
 - 1.4.2 Appoint a substitute for any subsequent vacancy.
- 1.5 The duties of the Umpiring Committee are to:
 - 1.5.1 Formulate, supervise, monitor and evaluate Association umpiring programs;
 - 1.5.2 Promote the National Umpiring Accreditation Scheme;
 - 1.5.3 Assist Netball WA umpiring personnel to promote umpiring programs within the Association at all levels;
 - 1.5.4 Assist with practical coaching and assessment of umpires within the Association;
 - 1.5.5 Act as an advisory panel for umpires within the Association;
 - 1.5.6 Select the PNA Umpire Squad each year;
 - 1.5.7 Carry out such other duties as the Executive may direct.

Rules:

1. It is the responsibility of umpires to apply the rules with impartiality, fairness and consistency. The umpires must strictly adhere to the rules set down by Netball Australia and PNA.
2. **PRIOR** to the commencement of the game, it is the responsibility of the umpires to carry out an inspection of all players to ensure that their nails are short and smooth, and that no jewellery, sharp adornments or hair beads are worn. A player needing to cut nails or remove jewellery, sharp adornments or hair beads must do so and report back to the umpire before being allowed to take the court.
 - 3.8 Should a player be found to be wearing prohibited jewellery/sharp adornments/hair beads after the commencement of the game, they shall be sent off the court and the offending item(s) removed. Play is to continue without that player. The position left vacant during the time the player is off the court must not be filled unless that position is Centre, in which case the team may move one player to fill that position. The player may retake the court at the next centre pass once their jewellery/sharp adornments/hair beads are removed. The only exception to this rule is the wearing of a wedding ring which must be covered with tape.

Policy:

1. Each team shall be required to provide one (1) umpire for every game. However, if using players from the team involved the umpire CANNOT take the court if an injury occurs and teams cannot swap umpires during the game.

2. Should a team's umpire fail to attend or umpire the match in its entirety, it is the responsibility of that team's coach or player to take over. An umpire must be supplied even if the team plays a player short.
3. Umpires are not permitted to coach a team whilst umpiring or stand with a team during intervals. During intervals, umpires should stand together.
4. All umpires are expected to wear appropriate sport wear, as outlined below:
 - Footwear: closed toe sports shoe
 - Upper Body: white, solid colour, club or association top which can be short-sleeved, long-sleeved or a singlet.
 - Lower Body: white, solid colour, club or association pants, skirt or shorts.
5. The umpire uniform must be able to be distinguished from the playing uniforms.
6. Leggings and compression garments may be worn should umpires wish to cover additional body surfaces. Such additional garments should be in a block colour.
7. Umpires may wear head coverings for religious reasons. Such head coverings must be:
 - made of soft material
 - tight or non-flowing
 - all black, all white or match the officiating uniform colours
8. It is the umpire's responsibility to provide his/her own whistle and sign the scorecard at the conclusion of the match.

UMPIRE COMPETENCY REQUIREMENTS

9. All teams are to supply their own competent umpire.
 - 9.1 The competency of an umpire may be decided by the PNA Umpire Development Officer, or their representatives.
 - 9.2 Should an umpire be deemed not competent, the PNA Umpire Development Officer will inform the relevant club. It is expected that the club will move the umpire to a more suitable standard of game and provide the umpire with training.
 - 9.3 All umpires allocated by clubs must be registered in the online membership database.
10. The following umpire competency levels are guidelines: :
 - 10.1 Umpires in Open Divisions 1 and 2 will have a minimum B badge level accreditation or be working towards obtaining a B badge.
 - 10.2 Umpires in Open Divisions 3 to 10 inclusive will have a minimum C badge level accreditation.
 - 10.3 Umpires in Year 9-12 games at 1pm, 2.30pm and 4pm will have a minimum C badge level accreditation.
11. It is strongly recommended by PNA that all umpires complete the online Netball Australia Rules Theory Exam each year.

1. PNA is committed to providing a safe, fair and inclusive sporting environment where all people can contribute and participate.
2. PNA will endeavour to provide opportunities for males to participate in mixed and male competitions.
3. PNA may conduct cultural awareness training & inclusive workshops to ensure that its staff and clubs are providing a welcoming environment and creating awareness around cultural views and barriers.
4. PNA supports participation in netball on the basis of the gender with which a person identifies. There may be times when it is considered that participation on the basis of affirmed gender identity alone is not possible. For example, where an individual's strength, stamina or physique directly affects their ability, and the ability of others, to 'effectively compete'. In these circumstances PNA may seek advice regarding the 'competitive sporting activity' exemption in the Sex Discrimination Act 1984 (Cth) and applicable State discrimination laws.
5. Personal information about gender will only be collected from participants if absolutely necessary. Any information that is collected will only be disclosed if necessary and in accordance with the law.
6. PNA will provide "preferred name" and "pronoun" options on registration forms.
7. Members' preferred names and pronouns will be entered into the member database and used in any correspondence.
8. PNA will not disclose the transgender or gender diverse status of a member without their express permission.
9. Any member who experiences discrimination or harassment on the basis of their sex or gender identity may lodge a complaint with PNA under the Association's Vilification and Discrimination Policy found in section P3.2.5 of the PNA Competition Handbook.
10. All PNA competitions will be clearly labelled in regard to age group and gender. This includes additional references to all genders that are permitted to play. All competition labelling will be clear and transparent.
11. PNA observes the Netball Australia Junior Policy 2015 in regard to male participation:
 - 11.1 All netball programs or competitions for participants 12 years and under must be open to players of any sex or gender identity;
 - 11.2 Males who are 13 years and older are excluded from participating in female competitions. This means that males must be 12 years of age or younger as at 31st December in the year of the competition; and
 - 11.3 Males who turn 13 during that competition or season are excluded from participating in female competitions.
12. Toilet and Change Room Facilities
 - 12.1 PNA provides access to male, female and unisex toilets for all members.

12.2 Accessing toilets and change rooms that are not consistent with birth gender will be determined by considering the safety and well-being of all members and in consultation with the transgender or gender diverse member.

12.3 While PNA will endeavour to accommodate the transgender or gender diverse member's preferences with respect to facility use, this may not always be possible.
