

PERTH NETBALL ASSOCIATION (INC)

Application For Clearance Form

No Player shall play for two Clubs in the same season without an approved clearance. Clearances are required when: A Player/Coach/Umpire has registered with Club XY for a particular season and now wishes to play/coach/umpire for Club AB within the same season (not including Spring).

All applications for clearances must be made on the "Application for Clearance" Form and are to be submitted to PNA office prior to the third (3rd) playing date of the season. Applications for clearances received after the third (3rd) playing date of the season are at the discretion of the "Grading Committee". An "Application for Clearance" must be submitted by the Club the Player/Coach/Umpire is clearing to and is available from the PNA website.

PNA will then organise the clearance to be signed off by the "From" Club prior to the Player playing for the "To" Club. A Club has the right to refuse a Player/Coach/Umpire a clearance on financial grounds. A Player or Coach who is refused clearance, has the right to appeal to the PNA Executive (Competition Committee).

No Player shall take the court until written confirmation of clearance has been received.
